

Job Description:

Apprentice Machinist
SYNERGEX CORPORATION

Job Type: Full Time
Location: Mississauga, ON, CANADA
Job Category: Control Automation
Contact Email: steve.szuhai@syx.ca
Experience: 1- 4 years

Description:

Synergex Corporation ("Synergex") is a leading provider of business solutions in areas such as supply chain management, technology, and business information. These solutions enable companies to increase efficiency and improve their performance while building a competitive advantage.

The Company has three workgroups: Synergex Commercial Gateway, Synergex Technology, and Synergex Business Information. Synergex' vast diversified commercial services and solutions unlock value in the specific areas of video game logistics and distribution, digital media, RFID technology, digital signage, retail solutions at the point of sale, graphic design, translation services, credit reporting, and collection services.

Headquartered in Mississauga, Ontario, with operations across North, Central and South America, Synergex serves a broad base of customers that includes a number of multinational enterprises. Synergex is listed on the Toronto Stock Exchange and trades under the symbol SYX. For further information, please visit www.syx.ca.

Our team is looking for intelligent, enthusiastic individuals to join our company to maintain the service standards we hold close to our hearts, and to respond to a demanding work environment. Candidates will find many opportunities for professional and personal growth with Synergex.

Position Overview

We are currently seeking a 1st – 4th year apprentice machinist to join our Synergex Control Automation team on a fulltime basis. The candidate should be able to operate machine lathes, milling machines, surface grinders, and have basic welding skills. All applicants must possess a valid Ontario G2 or G class driver's license. Compensation will be negotiated in accordance with apprentice experience within the industry, and will include health benefits.

Persons interested in applying for this position should direct their resume and cover letter to:
